

# AI Readiness Workshop

Preparing your organization for AI adoption.

## Evaluate. Develop. Plan.

Are you ready to harness the power of AI but unsure where to start? In the HBS AI Readiness Workshop, we'll work together to fully uncover your AI potential. We'll dig into where you are today, how you want AI to make an impact, and identify any gaps we need to close to get there.

Through these collaborative sessions, we'll provide insights and step-by-step guidance to help you mobilize AI, spur innovation, and ensure you do it securely and effectively for long-term success.

### AI Readiness Assessment Summary

Detailed evaluation of data, analytics, and organizational preparedness.

Identification of gaps and recommendations for achieving AI readiness.

In the two sessions of the AI Readiness Workshop, we will:

#### Session 1

- Evaluate AI potential and organizational readiness.
- Assess data management and analytics capabilities.
- Identify gaps and opportunities for AI adoption.

#### Session 2

- In-depth, collaborative exploration of AI opportunities within your organization.
- Score readiness and outline actionable next steps.
- Optional discussion on AI acceptable use policy and documentation

Evaluate readiness. Develop policy. Plan adoption.
